

## Description

The GP-LC Locking Cover provides protection against tampering and accidental breaker switching for GP Dimming Panels. For added convenience, the GP-LC mounts directly over the existing panel cover and can be hung with the hinges on either side, allowing the cover door to open from the left or right. Included with the locking cover package are: a set of 2 keys, 4 new mounting screws, and a Lutron identifying decal.

## Important Notes

1. The GP-LC fits **only** GP 8-24 Dimming Panels with these dimensions: 35" x 27.8" x 12" (889 mm x 706 mm x 305 mm).
2. Installing the GP-LC adds an additional 2 1/4" to the panel's depth.
3. It is recommended that 2 individuals assist with the GP-LC installation.

## Installation

1. Remove and **discard** the 4 screws located at each corner of the existing panel cover.

2. Place the GP-LC over top of the existing cover with the hinges facing either the left (door will open from the right) or the right (door will open from the left).

**Caution!** Once the GP-LC is hung, it is necessary to hold and secure the locking cover against the existing cover while the new screws are fastened. This will prevent the GP-LC from sliding off the panel and causing injury.

3. Insert and tighten the 4 **new** screws in the original cover holes.

**Note:** For safety purposes, make sure to discard the old screws and replace them with the 4 new screws provided.

4. Peel and stick the Lutron decal in the top corner, opposite the locking handle.

## LIMITED WARRANTY

Lutron will, at its option, repair or replace any unit that is defective in materials or manufacture within one year after purchase. For warranty service, return unit to place of purchase or mail to Lutron at 7200 Suter Rd., Coopersburg, PA 18036-1299, postage pre-paid.

***This warranty is in lieu of all other express warranties, and the implied warranty of merchantability is limited to one year from purchase. This warranty does not cover the cost of installation, removal or reinstallation, or damage resulting from misuse, abuse, or improper or incorrect repair, or damage from improper wiring or installation. This warranty does not cover incidental or consequential damages. Lutron's liability on any claim for damages arising out of or in connection with the manufacture, sale, installation, delivery, or use of the unit shall never exceed the purchase price of the unit.***

This warranty gives you specific legal rights, and you may also have other rights which vary from state to state. Some states do not allow limitations on how long an implied warranty lasts, so the above limitation may not apply to you. Some states do not allow the exclusion or limitation of incidental or consequential damages, so the above limitation or exclusion may not apply to you.
